

The Weary World Rejoices in Prayer

Our church family will be joining together in prayer and worship as we come to the end of 2020 and look ahead to 2021. We will spend time looking back by remembering, acknowledging the present through trust, and looking towards the future with hope.

Rejoice in Remembering | Isaiah 12:2-6

In groups, remember and rejoice acknowledging:

Where have you seen God working in our families, church, jobs, and lives?

Trust | Proverbs 3:5-10

Individually, spend time reflecting and praying through these questions:

- Are there areas of uncertainty or sin that need to be surrendered and transformed?

- Are there ways that you have shown greater trust recently?

- What step can be taken to grow in trusting God more?

Write prayer:

Hope | Romans 8:22-39

- 1) In groups, pray for our families and church:
What do we want to see God do within our families and church? Let this prayer time be God-sized requests.

- 2) In groups, pray for our Community, City, State, & Country:
What are ways that we need God to bring healing?
